

When we breathe  
the air of freedom,  
we do not wish to  
choke on hidden  
fumes.  
- Judge Albie Sachs.

- Mitigation of unresolved issues
- Legal action on selected cases
- Press release to media
- Analysis of information released by Industry and data produced by Government
- Hot spot surveys and public questionnaires
- Follow-up on industry statements

### 3. Independent Watch

What does the  
SDCEA do for  
South Durban?

### 1. Information Dissemination

### 2. Community Empowerment

## Everyone has the right -

- A. To an environment that is not harmful to their health or well-being.
- B. To have the environment protected, for the benefit of present & future generations, through reasonable legislative and other measures that:
  - i: prevent pollution & ecological degradation,
  - ii: promote conservation,
  - iii: secure ecologically sustainable development and use of natural resources while promoting justifiable economic and social development.
