Merebank Community Trust

Dear Community Leader/Representative,

Engen continues to make investments in its neighbouring communities that promote local development. Part of these investments include the establishment of local trusts.

The Engen Merebank Trust is an already established trust that Engen wishes to revive in order to promote ongoing benefits of the trust investment.

Engen will shortly be advertising for community members residing in Merebank who wish to sit on the board of trustees of the Engen Merebank Trust. The advertisement will be placed in the Southlands Sun and Rising Sun community newspapers. The minimum requirements for trusteeship will be highlighted in the advertisement.

Local community members and leaders who wish to represent the Merebank community on the Board of Trustees, and who fulfil the minimum requirements, are encouraged to apply.

The application process will be open for a period of 14 days – from 05 October 2021 to 18 October 2021

Please direct any queries to Engen's Tollfree Line: 080 033 0099.

Kind regards,

Sykry Hassim

General Manager: Refinery
